

BROTHERS OF THE THIRD WHEEL

DFW CHAPTER Newsletter

June, 2009

Hello again Trikers,

Had a good turnout for the June meeting. Thanks to all who came out. I know that shop gets awful hot this time of year. Next month we will probably move the meeting outside under the awning where we can get some air. We had some guests from Michigan there, and I know they had to been hot. Also, we had some of the American Legion Riders there. Their director, Red Beard, and Preacher Mike came by to let us know about some stuff they got going on.

There will be a bike, trike, & car show, this Saturday, June 20th, at the American Legion post 516. On the 820 service road, between John T White and Randol Mill Rd. Same place as last year. They'll have raffles, vendors, 50/50 drawing, and a bikini bike wash going on all day, from 12 to 5. All proceeds will go to the Fisher House. For more info, call Red Beard @ 817-360-3003. Hope to see a bunch of trikes in that show again this year. It's a good cause, and the A.L. Riders are always there to help out a good cause. If you want to ride in with me, meet me at the shop about 11. It's just a short ride from there.

Thanks to everybody that came out to Apache for Memorial Day. Everybody pitched in and made it another great Memorial Day-The DFW Way. Looking for input from you guys about the location, as well as the entertainment. If ya'll liked it, then we'll try to set it up again.

July 4th is right around the corner. Our old friends, Glen & Debbie Flowers, are having a big Christmas in July bash that weekend at their place down on the coast. I know some of you will be going down there for that. If you're not able to make that trip, you're welcome to come out to Alvarado, and have bar-b-que

with me & Dianna. I'm planning on firing up a smoker, and put on some ribs and stuff. I'm sure some of you BTW members can come up with some side dishes. It's dry down there, so BYOB. From Ft. Worth take I-35W south. After you pass hwy. 167, take the next exit (exit#24). Follow the service road to the light. Turn right on CR401. Take that about 8/10ths of a mile to CR405 on the right. Turn right. Go to the second street on the right. (no street sign, but there is a electrical tower there). We're at 2001 Meadowview. (no street sign) We're on the left side of the street, you'll see us. Look for a BTW flag on the fence and a Critter Xing sign on the gate.

There was a nasty rumor going around about the Turner Falls trike in this year. However, I have heard from the Okie Twisters, and the run IS ON in October as usual.

Jerry Griffith delivered a banner from our brothers across the Atlantic, that he picked up at Trike Week. It's a BTW-UK banner, signed by all the members over there at the UK "Trikes R Us" rally. It will hang by the Texas flag at the shop.

Richard, Sammy, & Angie have decided to get the Wednesday night cookouts going again. Since I moved, I really haven't had the time to hang around town enough, and that kind of faded away. But these guys will be firing it up again, so feel free to stop by on Wednesday evening and throw something on the grill with us.

Hope to see ya'll this Saturday, at the bike, trike, & car show.

Whatever you decide to do for 4th of July, be safe out there.

NEXT MEETING IS ON JULY 10th
