

BROTHERS OF THE THIRD WHEEL

DFW Chapter Newsletter

March, 2009

Hello again Trikers,

Well, we had another good turnout for our benefit fish fry again this year. Thanks to all who came out and helped us raise about \$2000 for PeeWee Harville. Hopefully, he'll be able to get back out on the road soon. Everyone pitched in and worked hard on this event, and we really appreciate it. Also need to say thanks to the Born Again M/M, for setting up some sounds and putting on another great bike/trike show. Those brothers are always around when someone needs help. They will be putting on another bike/trike show on Saturday, April 4th, at the Cowtown Sports Bar & Grill. Registration is from 3 to 5. For more info, contact Rip @817-891-1935. They only had 1 trike show up last month, and I know there's a bunch more good looking trikes around town than that.

Next Saturday, March 28th, is the parade for Preston Clark's baseball team. Angie is looking for trikes to ride the kids in the parade again this year. We'll need 10 or 11 trikes. I missed it last year so I don't even know the address to meet at. But if you can help, please let Angie know. Give her a call @817-395-2394. We can meet at the clubhouse and ride out together if needed.

Memorial Day is coming up. As always we will have our DFW Chapter campout. You can only get info on this from this newsletter or, our chapter website. www.btwdfw.com We've been asked to remove it from the main BTW site. Seems the timing clashes with some other little thing happening up in Jacksboro. But you can see the flier on our site. We have moved it this year to "Apache Motorcycle Resort". A few things have been added since the flier was put out. Looks like we will have live music on Saturday night, trike games on Sunday, may have a leather vendor there that handles everything from vests to saddle bags. I'm being told there will be canoes available to cruise the river with. And of course it wouldn't be BTW-DFW without bar-b-q. Grills will be burning most of the weekend I'm sure. There will be Hobo Stew sometime during the weekend as well. And being our first time there, you never know, the catfish might be biting. So, if you don't have plans for Memorial Day weekend, come on out to Millsap and party on the river with us. Place is easy to find. Right off I-20, just across the Brazos. Everyone is welcome.

And of course, there is also that thing up in Jacksboro. I have heard that it is a fairly, well organized event. You can find a flier for that in your Triker Mag.

Whatever you decide to do Memorial Day, be safe about it.

Also, don't forget. Glen & Debbie Flowers have invited us all down to the coast for July 4th. Anyone making plans for that holiday might want to keep them in mind. The contact info for them is also in the events page at www.btwdfw.com or you can pick up a flier at the clubhouse.

Next chapter meeting is Friday, April 10th, 7pm

Till next time,

Ride safe, ride free, & ride three
