

BROTHERS OF THE THIRD WHEEL

DFW CHAPTER-May, 2009

Hello again Trikers,

The May meeting was a little different than usual. Not as many people as usual, but more trikes than usual. Weather was right for a ride Friday night. Some folks had other things going on.

Please keep the Higg's family in your thoughts & prayers. Wildman's Mom is in bad shape. We have a donation box at the shop for Bill, to help with expenses. Wildman's parents have always enjoyed the BTW events, and have joined us on the river a few times. They are part of the family.

Anyone who has room to help carry stuff out to the Memorial Day campout, please come by the shop this Friday, May, 15th. Some of us are getting together to work out all the final arrangements for the trip. This will be our first time at this location, and we want to make sure we all have a good time. (Of course, we always do.) If anyone has something to donate to a raffle, bring it on. We may try to raise some cash to help with the expenses. (Music, port-a-jons, food, and so on) We will have trophies for the games. I believe we'll have a leather goods vendor there this year, as well as patches and someone to sew them on. We're all looking forward to another great Memorial Day, the DFW Way. Tell your friends. Apache Motorcycle Resort, 11083 West I-20, Millsap. We'll be camped on the river all weekend.

Also want to send best wishes to our webmaster, Jake. He been having work done on his legs from what I hear. Hope ya'll can get up and moving again in time to come to the river with us, bro.

Next month's meeting will be on June 12th.

Hope to see you all at the river for MEMORIAL DAY-THE DFW WAY
