

BROTHERS OF THE THIRD WHEEL

DFW Chapter Newsletter

October, 2009

Hello again Trikers,

We had 23 people in attendance at the October meeting. Thanks for coming out on a nasty night. The weather has really been messing with the riding time lately. We had a few members that took their chances on the weather, and rode up to Turner Falls. As much fun as that event is, it seems to rain a lot of years on that weekend. NEXT MONTH'S MEETING WILL BE ON NOVEMBER 13TH, 7PM.

Well, it's that time of year again. Something going on every month for the rest of the year. Halloween, Thanksgiving, Christmas, and then we start another year. So, here's what we've got planned so far.

We'll have our annual Halloween Party on the 31st. 7pm till ?? We'll do potluck dinner. You might bring something for the trick or treaters. I'm planning on letting the neighborhood know their kids can come by with their bags if they want. We'll have awards for the best costumes, so use your imagination. With Halloween being on Saturday this year, I know there are a lot of parties going on around town. Hope you all can plan on making the BTW-DFW Halloween party one of your stops.

We're having our BTW Family Thanksgiving Dinner on the Saturday before Thanksgiving, November 21st. BTW-DFW members get 2 Thanksgiving dinners. One with your triker family, and one with your "other" family. This is something we've done for several years now. There is no charge, just come eat some dinner with us. We'll figure out who wants to cook what at the November meeting.

And last, but not least, it's that time again! The "*R.E. Johnson Memorial-Run For The Shelter*" will be on Saturday, December 12th. We're collecting clothes, toys, non perishable food items, and money for the Safe Haven of Tarrant

County. We will ride out from the shop at noon with the truckloads of donated items following us, to deliver and unload at the “Berry Good Buy”. As always, we will then return to the shop for a party/fundraiser. There will be raffles, 50/50 drawing, auction, and live music. I have not got the band lined up yet, but, I’m working on it. I would like to find two bands to donate a little time each. We will have fliers available at the clubhouse ASAP. Please help us get the word out. We’re also looking for raffle & auction items. So stop by your local bike shop, tool shop, or wherever and see what you can talk them out of for a good cause. While you’re there, see if you can leave some fliers for their customers. Let’s see if we can have a big turnout this year, and help the victims of domestic violence.

Hope to see you at some of the events we have planned for the rest of the year.

Next meeting-November 13th

Ride safe, Ride free, & Ride three,
